utes to put the team on a good footing

TARKIO WILL GIVE WESTERN MILITARY ALL OF THEM A BATTLE.

North Missouri College Has a **Team That Seems to Be** Second to None in Missouri.

Special Correspondence of The Sunday Republic. Tarkie, Me., Oct. i.—The regulassance in pect for a good team, and the efficers of football seems to have reached Tarkie this the institution are helping in every way fell. Last season was a disastrous one, and to fan the ardor. At a meeting in the the determination to make this se team a winning one is uppermost in the over \$150 was raised in less than ten minminds of all.

Several members of the champlonship This enthusiasm, however, has not been so teams of '97 and '98 are again in school, and | marked until this fast week. The cause these, tegether with a nucleus of last year's of a seeming lack before was the unteam and some excellent new material, are certainty of Western remaining in the

hand, ready for work. Interscholastic League. In fact, until last Captain Tidrup, one of the veteran Saturday afternoon the perpetuation of the guards, is sgain ready for work, after League was in doubt on account of friccighteen months' of service in the army tion between two of the principal clubs, and the swamps of Luzon, and a commade that now that the parametery of the of his named Clark, from Red Cak, In., who Lamne is assured the chiefs are deter-had played several years on High School mined to put up a team that will finish teams, also entered school, and is one of the neity candidates for a position at end. it was necessary to develop a new center, and Haupt, who had been on the team several was necessary to develop a new center, mit belief and seed the seed that the life is the League, but finded the seed that the life is the League, but finded the seed that the life is the League, but finded the seed that the life is the life is the life in the life is the life in the life is th

NEVER KNEW HER NAME NOR SAW A KINSMAN. MEN, BE STRONG!

Mrs. Alexander Gray Was Born in Foreign Land and Raised by Strangers Into Whose Hands Providence Placed Her When a Baby.

Earn in a foreign land, taked by strang-ers, into whose hands Providence placed her when a baby, not knowing for father's name, and never having looked into the form of a blood kinsman, Nrs. Alexander Gray of No. 29 Courtols street is a living proof of the old adage, "truth is attanger than fiction."

from the home of her foster parents, because of cruel treatment. Now that her challen are grown up and another generation is coming on to cell her grandma, sice s anxious to learn just who she is, and there she came from To a Republic reporter who called at her bome last week allo talked freely about her past, as far as also can remember it, but there is a blank to legin with. In the drama of her life the tragic climax ocoung to remember,

"I know that I was been in Swiner and," she said, "and that my father did not was buried at sea. I was only three ears old when this happened, but I reme to er seeing his body wrapped in a widte heet and thrown into the sea. After that I do not recall anything until

ny mother and I were traveling in a stage omni. I don't know where we started teen, and have no idea where we were trying to go. I remember that we rode in the coach, day after day, across mountains and valleys, through rivers and sleng bluffs, and shally cause to the great plattic

bluffs, and limitly came to the great prairie which seemed to have no end.

"I suppose my widowed mother told me where we were going, but if she did her words made to impression whatever upon my mind. I cannot recall one word she eversial, and do not even remember how she looked, except that she was young and pretty and had great said eyes.

"Just before the stage ceach reached Edwardsville, lif., my mother was taken violently lif. The driver saw that she needed medical stiention, but nothers he nor any of the passengers could understand a wordshe said, so they left her at the house of James Stewart, a well-to-do farmer.

"Mr. Stewart and his wife did what they could, but my mother died within a tew hours. Up to the last she tried to tell them something, but they could not understand. She spoke a hanguage entirely different farm anything that anybody in that section had ever heard. The only thing they could understand was that my name was 'Morillo', and that mother's name was 'Maria.

"After she was deaf the Stewarts the relative would hear of mother's death and come to claim me, but none ever did, no they kept me from year to year, and as son as I grew large enough I had to go in the field to work. From then until I was soon as I grew large enough I had to go in the field to work. From then until I was soon as I grew large enough I had to go in the field to work. From then until I was soon as I grew large enough I had to go in the field to work. From then until I was soon as I grew large enough I had to go in the field to work. From then until I was soon as I grew large enough I had to go in the field to work. From then until I was soon as I grew large enough I had to go in the field to work from year to year, and as seen that the field to work they were defer than myself, and when I legan to grow up he claimed me for his swetheart. His father favored a match between us but his nother was bitterly opposed to the idea and made things harder for me than ever.

BE A MAN AMONG MEN!

BE STRONG AND VIGOROUS!

FREE YOURSELF FROM THE

CHAINS THAT HOLD YOU DOWN!

Nature intended you to be a strong man. You have the physique, the

constitution, and yet you do not feel the ven, the sand, the ambition one would expect in a man of your age. What is it? Why, a lack of vitality—the foundation of manhood. You have lost it, no matter how. Get it back, feel young, look young, act young. Life is beautiful when you have health. I

DR. McLAUGHLIN'S ELECTRIC BELT

with Suspensory for weak men has brought strength, ambition and happi-

Men, why will you be weak? Why do you not listen to the echo of thousands of grateful voices raised in thanks to br. McLaughlin's Electric Belt? Why do you go on from day to day realizing that you are losing your nerve force, your strength, when you see a cure within your grasp? Reach for it,

take it to your heart and feel the life blood flowing, jumping dancing through your veins; feel the exhibitating spark of renewed vigor warm your frame; the bright flash come to your eye, and the firm grip to your hand—the grip which grasps your fellow man and tells him that you have found your Mecca—you have regained your strength.

ACT NOW, ACT TO-DAY—Do not delay a matter which is the key to your future happiness; do not allow a disease to destroy all possibility of future pleasure for you. Whatever your condition to-day you will not improve as you grow older. Age calls for greater vital force, and the older you get the more pronounced and apparent will be your weakness, so cure it now—
